ABOUT ME

Results-oriented Software Engineering graduate with a successful track record as a Business Analyst, adept at bridging the gap between technical solutions and business requirements. Skilled in analyzing complex systems, identifying process improvements, and translating business needs into functional specifications. Possessing a strong technical background and a deep understanding of software development methodologies, I bring a unique blend of technical expertise and business acumen to drive successful project outcomes.

EDUCATION AND TRAINING

● **21 SEP 2018 – 25 JUL 2022** Addis Ababa | AASTU, Ethiopia

● **Software Engineering Degree** Addis Ababa Science and Technology University

Website <https://www.aastu.edu.et/>
